The Navajo Nation Office of the Auditor General (OAG) conducted a follow-up review of the Bodaway/Gap Chapter corrective action plan (CAP) implementation regarding audit report no. 03-03 approved by the Budget and Finance Committee (BFC) on September 16, 2003 per resolution no. BFS-146-03.

Our CAP follow-up review found:

Finding I:

- 2 of 8 corrective measures for Finding I have been implemented; and
- 6 of 8 corrective measures for Finding I have not been implemented.

Finding II:

- 1 of 8 corrective measures for Finding II have been implemented; and
- 7 of 8 corrective measures for Finding II have not been implemented.

Finding III:

- 1 of 3 corrective measures for Findings III is in the process of being implemented; and
- 2 of 3 corrective measures for Finding III have not been implemented.

Overall, the Bodaway/Gap Chapter has implemented three corrective actions and implementation is in process for one corrective action. Fifteen corrective actions have yet to be implemented. The community service coordinator states the barriers against fully implementing the CAP are due to the time consumed to provide day-to-day assistance to the community members and the LGSC providing limited support in assisting the chapter to implement the CAP. The failure of the chapter to fully implement the CAP resulted in the lack of adequate safeguards over chapter property and equipment, lack of compliance with restricted fund guidelines, and poor accounting of the various chapter funds. Therefore, in accordance with provisions of 12 N.N.C. § 9(B) and § 9(C), the OAG recommends sanctions imposed on the Bodaway/Gap Chapter and officials for the failure to implement the CAP.

We recommend that the Western Agency Local Governance Support Center (LGSC) provide one-on-one training to chapter staff and closely monitor the chapter's implementation of the corrective action plan. LGSC should reassess the effectiveness of the training being provided to the chapter and make appropriate changes if the purpose of the training is not being accomplished.
